

INDIAN INSTITUTE OF TECHNOLOGY JODHPUR

Rajasthan, India

DEPARTMENT OF ELECTRICAL ENGINEERING

WeRoCon

Weareable Robotics & Control

INVITES

APPLICATIONS FOR A JUNIOR RESEARCH FELLOW (JRF)

The Wearable Robotics & Control (WeRoCon) Laboratory at the IIT Jodhpur invites applications for a Junior Research Fellow to work on developing intelligent and robust control strategies for lower-limb prostheses and exoskeletons. The successful candidate will work on the design and development of these wearable robots, with a focus on implementing and experimentally validating advanced control strategies for powered prosthetic legs and exoskeletons.

QUALIFICATION

- Graduate in Engineering (Preferably Mechatronics)
- GATE/NET Qualified

MONTHLY FELLOWSHIP

₹44,400 per month (including HRA)

LAST DATE

For full consideration, please submit your application by 30 July 2026.

HOW TO APPLY

Visit the [lab website](#) or email your CV to: sauravk@iitj.ac.in
